

July the 23rd
I again write
you a few lines
to let you know
that I am well
and hope that
these few lines
you may find
enjoying good
health. I have
nothing of
importance
to write at
this time
and I will
close by saying
that you will
find enclosed
five dollars and
I will send
you five more
tomorrow
and Mr Silby
will pay you
five dollars
for all but
you need not
say anything
about it yet
for I guess he

knows nothing about it
yet for i dont
think ~~that~~ William
Sebery has wrote to him
about it yet the way
of it that William
owes me five dollars
and he said that
he would write to his
Father to give it to you
so it would save me the
trouble of sending it home
no more at present
yours truly
